

Figures of the HTML Prototype

Simona Mindy, Tira Cohene

November, 2004

University of Toronto, Toronto Canada

What would you like to see?

- [Important events](#)
- Important objects
- Random (surprise me!)

Figure 1: HTML Prototype Homepage

Clicking on 'Important Events' will lead to figure 2.

Your Baby Pictures

Figure 2: Video Clip of Baby Pictures

After the clip ends, the page on figure 3 appears.

*If you would like to see a video of your cross country train trip, press the **green** button. Otherwise, more family pictures will be shown shortly.*

Figure 3: Instruction Sequence

If the participant clicks on the 'green' button link, the clip in figure 4 plays. Otherwise, the clip in figure 5 plays.

Your Cross Country Train Trip, 1985

Figure 4: Video Clip of Train Trip

Your Wedding

Figure 5: Video Clip of Wedding
