DOCUMENTATION TOOLS FOR MAKERS

LOOKING FOR MAKERS WITH:

PREVIOUS EXPERIENCE WITH BUILDING PROJECTS BY THEMSELVES AND DEVELOPING DOCUMENTATION FOR THOSE PROJECTS.

Participants are required to:

- 1.** *be at least 18 years old.*
- 2.** *have experience (1 year +) with digital fabrication tools (eg: 3D Printers, Laser cutter, and CNC Machines) and use them in their making process.*

You will take part in a 40 to 60 minutes session where we will chat about your documentation style and then brainstorm what you imagine an ideal tool for documenting your making process would look like.

[Study can take place online provided that the participant is not located in Toronto!]

When?

Study will take place
21st to 31st of October 2019

Where?

OCAD University
205 Richmond St W
